Christie,

I had a request from you for comp time that I believe stems from your work on the Clean Power Plan announcement. I tried to approve it, but it was missing your grade, and the system wouldn't approve it. The only way I knew to send it back to you was to disapprove. If you can send again with your request for comp hours, with grade and your signature, I'll approve and send forward.

Also, I received your request for comp hours during the Gold King Mine response. Unfortunately, any hours over your normal hours have to be submitted as Overtime, not comp. - George
